

The Power of Sanskrit

Lecture Demonstration, Sharing of experiences

ALL ARE WELCOME

What can we expect ?

The lecture- demonstration would strengthen our beliefs in the eternal knowledge system of our sages. It would answer many questions such as

1. Why should we study and practice Sanskrit ?
2. What is the power of chanting slokas/ veda matras?
3. Does memory increase with age or decrease with age?
4. Does chanting of Sanskrit shlokas improve our health ?
5. How to increase the brain capacity of a human being through Sanskrit ?
5. How to develop good memory/ IQ / clarity of thought through Sanskrit ?

And much more.....

All these through demonstrations, case studies, and facts
